INCOME AND ASSETS - Please complete the Income Table on the following two pages. As part of this application, you will be asked to provide supporting documentation in the form of the five most recent consecutive pay stubs and/or income statements for all sources of income, W-2 statements and the THREE most recent federal income tax returns (including all attachments and amendments) for each member of the household. For seasonal employment, you must indicate the average monthly income you expect to earn over the next 12 months.

Gross income from current wages, salaries, tips, etc. is the full amount, before any deductions, and is the amount used to determine estimated current annualized income. For self-employed applicants- include the name of your business in the space provided. You will be directed to all the additional documentation you will need to submit in Section 2. "Interest Income" refers to any amount that you receive from any asset except for amounts drawn down from a retirement account or 401K as those go on the lines for "pension" or "retirement funds".
