Notice of Right to Request for Overpayment Waiver

If you cannot repay the overpayment, you may complete a "Request for Waiver of Overpayment" by logging in to your UI online account at <https://uionline.detma.org/Claimant/Core/Login.ASPX> or by calling (877)626-6800.

DUA can collect overpayments by offsetting up to 50% of your benefits for this claim and future claims, taking state and federal tax refunds, or by filing a civil action against you in the Massachusetts District Courts.

You may be entitled to a waiver of your overpayment if your overpayment was not due to fault, and if you meet the standards of G.L. c. 151A, sec. 69(c). That section of the law requires you to show that you either have no ability to repay without depriving yourself or your family of the ability to pay ordinary expenses, or you gave up the right to collect other benefits by receiving unemployment benefits in order to receive a waiver.

No collections actions will occur on your account until at least 15 days from the date of this notice. If you file a request for a waiver, no collections will occur until after a determination has been made on your waiver request.
