Dear Andrea, dear Katja,

thank you for the spontaneous call today and for explaining your idea.
Concerning the possibility of getting funded without a university degree, we will get back to you.

As mentioned, attached I send you the application forms
I endorse your application.

You will need to fill out the following documents:

- Appendix 1: Application for the Berlin Startup Scholarship – brief information about the team
- Appendix 2: Details per team member, 1 page per team member (for simplicity also as a 2nd document in the appendix)
 - o Additional (per team member)
Curriculum vitae in tabular form including a max. half-page paragraph describing your professional career
- Degree certificates (copy)

Proof of residence in Berlin (copy of confirmation of registration)

Identity card (copy)

For non-EU citizens: residence permit and permission to work (copy)

o Self-disclosure of business formation (ESF form) – form follows (confirmation that no ESF funds have been received so far)

- Appendix 3: Start-up concept – information on the idea (industry, problem, USP, benefits, status, legal, market, sustainability, corporate planning, milestones)

- Appendix 4: Declaration of the host institution within the framework of the "Berlin Startup Scholarship" program / will be filled out by us

Please fill out the documents as possible and feel free to ask at any time if something is unclear.

Before you officially send the document, please send it to me again by Monday 26.06.2023.

I will then send you the signed attachment 4.

Kind regards

Anna

Dear Andrea, Katja and Sam,
Dear team Moon Cycle,

Thank you again for the completed document. Your project idea has been discussed and placed in the Healthcare x Prevention cluster. I therefore would like to connect you with our consultants Benjamin Flader and Anna Figoluschka (cc). Please contact my colleagues to schedule a meeting for the initial consultation.

Thank you and best regards
Lydia
