---

Dear Mrs/Ms Dawn:

---

January 12, 2023

Following up on my phone call from January 4th, I am attaching in this fax/email my bank statements from October 1st to December 3rd 2022.

**Dawn**  
Supervisor at DUA

At the beginning of January, I learnt I was denied benefits. I collect benefits every winter (since many years now), as my job is seasonal and I return back to work in April/May (depending on the weather). I changed employers last years and as a result I am missing a few weeks of the first and last quarter (I started later and we never really work in December due to weather.

I called your office on January 4th and I was told I can submit paystubs for October and November together with Wage and Employer Correction Sheet, requesting to include my alternate base wages for 4th quarter.

It has been 6 weeks that I don't have any income and I would like to go ahead and send you the paystubs from October and November 2022 (I just received them in mail from my employer) and the Wage Sheet correction.

I would kindly like to ask you to proceed with my case and approve me for collection of unemployment benefits since December 3rd, 2022.

As I would like to sign up for the training program (under Section 30) this winter, I would greatly appreciate your help and understanding the urgency of the matter.

Warm regards,

**Andrea Brezanova**
